TRACTORS

Advance Rumely 18-20, 18 HP, in 2009 a new boiler was built by Olivers Boilers in Ontario, Canada. At that same time, the engine got new grates, new fire box door, new stack, new smoke box door and smoke box ring, new water tanks, feed water pump and a new ash plate. All piping was redone with sch 80 pipe and forged steel fittings. New relief valve for 150 psi. In 2016 the Marsch reverse gear was rebuilt along with the linkage and the angle slide block that support the slide valve. Also at that time the connecting rod was rebuilt as well. CERTIFIED.

This engine may be seen running at the Rice County Steam and Gas Engine Show in Dundas on Friday thru Sunday, August 31, Sept 1 & 2, 2018
